# **COAGUCHEK SET UP PROCESS**

# Step 1:

Log in to INR Online

## Step 2:

Go to More>CoaguChek Link

	INROnline		Dr Demo User   logout
	Find Patient   Add Patient	More	
Search )		Options Manage users Reports	
Due test (49)	Searc	Log out	
Need Review (12)			
Uncontacted (25)			

## Step 3:

Click on CoaguChek Link and you will be taken to the Download page.

# **HealthObs Connect**

#### Step 1: Installing HealthObs Connect

The HealthObs Connect program allows INR Online to link directly to a CoaguChek XS Plus, with the Handheld Base Unit. To install HealthObs Connect, download and run the install file by clicking the below button.

#### Advanced

The drivers for the CoaguChek should automatically be installed with HealthObs Connect. However if you experience a problem you can download them here. CoaguChek drivers

Show advanced setup.

# Step 4:

Click "Download"

When you click "Download" the HealthObs Connect software should be the first to load. Depending on the browser you are using, you may have to "Allow" or "Run Anyway" to allow the software to install. We recommend Chrome as your browser.

This pop up box should appear.

Application Install - Security Warning X
Publisher cannot be verified. Are you sure you want to install this application?
Name: HealthObs Connect From (Hover over the string below to see the full domain): sys.inronline.net
Publisher: Unknown Publisher Install Don't Install
While applications from the Internet can be useful, they can potentially harm your computer. If you do not trust the source, do not install this software. <u>More Information</u>

# Step 5:

Select "Install"

The Download page on the website should look like this

# **HealthObs Connect**

#### Step 1: Installing HealthObs Connect

The HealthObs Connect program allows INR Online to link directly to a CoaguChek XS Plus, with the Handheld Base Unit. To install HealthObs Connect, download and run the install file by clicking the below button.

#### Advanced

The drivers for the CoaguChek should automatically be installed with HealthObs Connect. However if you experience a problem you can download them here. CoaguChek drivers

The Handheld Base Unit software should automatically start to install. If it doesn't, go to the Hidden Icons and look for the HealthObs Connect Icon.

Right click on the icon and select "Setup". This should start the Handheld Base Unit software installation.

### Make sure the CoaguChek IS NOT connected to the computer

You may have to "Allow" this installation to proceed.

# Step 6:

Select "Next"
